

Anastacia, 'Left outside alone'

- ✚ Classify the missing words into verbs, nouns, adjectives and adverbs.

All my life I've been waiting
For you to bring a fairy **tale** my way
Been living in a fantasy without meaning
It's not **okay** I don't feel **safe**

Left broken **empty** in despair
Wanna breath can't find air
Thought you were sent from up above
But you and me never had **love**
So much more I have to say
Help me find a **way**

And I wonder if you know
How it really **feels**
To be left outside **alone**
When it's **cold** out here
Well maybe you should know
Just how it feels
To be left outside alone
To be left outside alone

I'll tell you
All my life I've been waiting
For you to bring a fairy tale my way
Been living in a fantasy without meaning
It's not okay I don't feel safe
I need to **pray**

Why do you **play** me like a game?
Always someone else to blame
Careless, helpless **little** man
Someday you might understand
There's not much more to say
But I hope you find a way

Still I wonder if you know
How it really feels
To be left outside alone

When it's cold out here
Well maybe you should know
Just how it feels
To be left outside alone
To be left outside alone

CHORUS

Heavenly **father** please save me.

And I wonder if you know
How it really feels
To be left outside alone
When it's cold out here
Well maybe you should know
Just how it feels
To be left outside alone
To be left outside alone

CHORUS
